Dear Mother

By the time you get this letter I will be safely on the other side. Am feeling fine and know that I am coming back to you before long.

We give this mail in when going on board and it will be held until the cable comes from the other side telling of our safe arrival.

Don't worry about me as I am glad to go. Remember me to all and tell them that I am positively coming back.

Everybody is happy and glad to do their bit.

Lots of Love to you and Dad.

Winnie
