Ronald I. Apfelbaum, MD, FAANS(L), K2PQS

Ronald attended Atlantic City High School and was a member of the Radio Club there. He already had a General class license and was looked up to by the rest of us who wanted to become hams. I remember visiting his home in Margate to see his station. He owned a WRL Globe Scout with a VFO. His father, David K2RXB, was also a ham so they shared the station. Ronald is still licensed with his original call, K2PQS.
